## **Note on Unclaimed Monies**

- 1. As at 31 December 2021, the amount of unclaimed monies held by IPTO was \$212 million, with \$135 million being unclaimed un-nominated CPF monies and \$77 million being other unclaimed monies. These monies remain unclaimed as no claim has been submitted by the rightful beneficiaries despite significant efforts¹ made by the IPTO for these persons to make the claim. From 18 June 2022, the Beneficiary Representative ("BR") approach was introduced to relieve the administrative burden on beneficiaries and allow for faster distribution of un-nominated CPF monies. It allows a single representative to make a consolidated claim for a deceased CPF member's un-nominated CPF monies, not exceeding \$10,000, on behalf of other beneficiaries.
- 2. In the last 5 years, about \$1,052 million, or 18%,<sup>2</sup> of CPF monies belonging to deceased persons were transferred to the Public Trustee's Office ("PTO") for distribution, due to the absence of a nomination, in accordance with the Intestate Succession Act 1967 or the Administration of Muslim Law Act 1966, as the case may be. To date, PTO has distributed \$936.28 million, or 89%,<sup>3</sup> of these un-nominated CPF monies received from CPF Board.

<sup>&</sup>lt;sup>[2]</sup> IPTO also administers unclaimed monies due to pawners, creditors and recipients of refunds from insolvent estates (which include individual and corporate insolvency), as well as beneficiaries of estates of deceased persons.

<sup>&</sup>lt;sup>1</sup> For un-nominated CPF monies, PTO has made use of available information and social media to trace the possible rightful beneficiaries.

<sup>&</sup>lt;sup>2</sup> Based on deaths in 2017-2021, for amounts paid out from year of death until 30 June 2022.

<sup>&</sup>lt;sup>3</sup> Based on deaths in 2017-2021, for amounts paid out from year of death until 30 June 2022.

- 3. We encourage every CPF member to make a nomination and decide who will receive the member's CPF monies and how much thereof. For convenience, CPF members can make a nomination online at the CPF website.
- 4. By making a nomination, your nominee(s) will receive your nominated CPF monies more quickly after your passing. Nomination also allows the CPF to directly distribute CPF monies to adult beneficiaries, which does not incur any fee. On the other hand, PTO charges statutory fees for administration of CPF monies transferred by CPF Board to PTO. Click link to view the applicable statutory fees.
- 5. Finally, we strongly encourage members of the public to make a will, so that your estate (monies, property, other assets, etc) can be distributed according to your wishes.<sup>4</sup> You may deposit information of your will at the SAL <u>Wills Registry</u>.
